FAQs
CALIBRATED EASING OF SAFE MANAGEMENT MEASURES FOR SPORT
AND PHYSICAL EXERCISE & ACTIVITY FROM 14 JUNE 2021

A. ON GROUP SIZE FOR SPORT & PHYSICAL ACTIVITIES

Qn: What is the maximum number of people who can exercise in a group?

Ans:

- From 14 June 2021, sport and physical activities must confine to groups of no more than 5 individuals (including instructor).
- From 21 June to 11 July 2021, mask can be removed in an **indoor** environment, but the group size restriction will remain at 2 persons (including instructor). For masked activities indoors, the group size may be 5 (including instructor). Individuals should restrict their use of indoor facilities to no more than 2 hours each time.
- From 12 July 2021, the group size for unmasked and masked activities in indoor and outdoor settings will be increased to 5 (including instructor).
- From 19 July – 8 August 2021, the group size for **indoor, unmasked** sport and physical exercise & activity will reduce to 2 persons (including instructor).

However, up to 5 persons (including instructor) may be allowed in a group, if **all 5 individuals** are either i) fully vaccinated under the national vaccination program using PSAR authorised vaccines and have had time to develop sufficient protection (i.e. two weeks after the second dose), or ii) recovered from COVID-19 (within the past 270 days), or iii) have obtained a negative result on a Pre-Event Test taken in the past 24 hours before the expected end of the class/programme/event. Persons fulfilling any of the above are termed as being “eligible”.

Where there are groups larger than 2 persons, there can be no participants with a mix of eligibility status in the same class/programme. i.e. there is to be no mixing of cohort within a class if there are multiple groups in an indoor, unmasked activity. A class is either all eligible or all not eligible – there should not be some in groups of 2 and some in groups of 5. Within a large facility, operators are to ensure that spaces for different classes and activities are properly segregated to ensure no cross-mixing of cohorts.

The group size for indoor, masked activities as well as all outdoor activities will remain restricted to 5. This is irrespective of vaccination or test status.

The physical distancing of 2 metres between individuals (3 metres between individuals for **indoors** high intensity or high movement exercises) except when the nature of the sport does not permit so, and 3 metres between groups of up to 2 or 5 individuals must be maintained while exercising and playing sport.

Qn: What is the maximum number of people a sport facility can accommodate?

Ans: All sport/ recreational facilities can only admit a maximum number of persons according to its Gross Floor Area based on 10 Sqm per person, up to a maximum of 50 persons. No facility, regardless of size, shall admit more than 50 persons.

However, large complexes or multi-function premises such as country clubs may treat different parts of their premises as separate facilities, provided that they are well separated by physical barriers such that intermingling is not possible.

Qn: Will I be allowed to play sports such as badminton, basketball and table tennis?

Ans:

- From 14 June, you are allowed to play sports in a group of no more than 5 persons.
- If you are playing sports **indoors**, between 14 to 20 June, you will need to be masked-up for the entire duration of play and not to remove it. From 21 June to 11 July, you can remove your mask when you are playing sports **indoors**, but the group size restriction will remain at 2 persons (including instructor). For masked activities indoors, the group size may be 5 (including instructor). Individuals should restrict their use of indoor facilities to no more than 2 hours each time.

If you are playing sports **outdoors** with your mask up/mask down, you can do so in a group of 5 (including instructor).

- From 12 July 2021, the group size for unmasked and masked activities in indoor and outdoor settings will be increased to 5 (including instructor). While multiple groups of 5 (including instructor/coach) remain allowable up to 50 participants or the capacity limit of the venue, whichever is lower, there shall be clear segregation between groups and no cross-mixing or cross-playing in any form of modified formats between groups. Examples of permissible play formats are those that are within the same group of 5 such as 2v2 or 3v2. More information on the SMMs can be found in in [Sport Singapore's guidance on 8 July 2021](#).
- From 19 July to 8 August 2021, in an **indoor unmasked** environment, each match is capped at 2 persons (e.g. 1v1) or 5 persons (such as 2v2 or 2v3) if all individuals in the group have eligible status¹. There can be no mixing of eligible and not eligible participants in the activity. Organisers offering events solely for individuals with eligible status are advised to prominently display signages to indicate that the activities are “for vaccinated / tested persons only”.

In addition, there shall be clear segregation between groups and no cross-mixing or cross-playing in any form of modified formats between groups. More information on the SMMs can be found in in [Sport Singapore's guidance on 17 July 2021](#).

B. ON CHILDREN & YOUTH-CENTRIC CLASSES / PROGRAMMES

Qn: I run sport classes for youths and children under 18 years old. Can I resume these classes?

Ans: Classes for this age group can resume as follows:

- From 14 to 20 June 2021, only **outdoor** sport / physical activity programmes may be conducted for up to 1 group of 5 participants in total. If the activity is strenuous, masks can be taken off, but will have to be put on immediately after the end of the activity.

¹ An individual is eligible if he/she has either i) been vaccinated under the national vaccination program using PSAR authorised vaccines and have had time to develop sufficient protection (i.e. two weeks after the second dose), ii) recovered from COVID-19, or iii) obtained a negative result on a Pre-Event Test taken in the past 24 hours before the expected end of the event.

- From 19 July to 8 August 2021, measures for youths and children 18 years and under follows the prevailing national posture i.e. multiple groups of 2 or up to 5² (including instructor/coach) remain allowable up to 30 participants or the capacity limit of the venue, whichever is lower, for **indoor unmasked** activities.

For **masked indoor** activities, and **masked/unmasked outdoor** activities, multiple groups of up to 5 (including instructor/coach) remain allowable up to 50 participants or the capacity limit of the venue, whichever is lower.

Qn: I run a yoga class for children below 7 years old. Do my young participants need to don masks?

Ans: Children under 6 years old are not required by law to wear mask, but it would be good practice for them to do so where possible.

Qn: I run a private sport academy (e.g. gymnastics, martial arts, combat sports) in an indoor setting similar to a studio. When can I reopen?

Ans: Between 8 May to 20 June, if the activities being offered are modified as per the guidance below and you have factored in the reduced group size and facility capacity, as well as enhanced measures as per [Annex in the Sport Singapore guidance](#), you can still operate. These apply to activities such as TKD, MMA, Muay Thai, BJJ, Fencing, Judo, Boxing and other similar activities.

The private sport academies that continue to open must:

- Modify their activities to minimise contact as much as possible. Keep total grappling time to no more than 15 minutes in total per session.
- Ensure that their participants and instructors are masked on at all times, refraining from conducting activities that are strenuous to the point that they feel the need to remove their masks.
- Not provide common equipment such as punching pads, bags, dummies, use of boxing ring, etc, where fomite transmission risk is high.
- Not offer weight, strength or resistance training or cardio training of any form, and/or provide equipment for such training, such that they become strenuous activities.

Qn: Are sports such as table tennis, basketball, badminton and volleyball allowed indoors?

Ans:

- Between 8 May to 20 June, all indoor activities have to be changed to low intensity with masks on in a group of no more than 2 persons (till 13 June) / no more than 5 persons (from 14 June). While practice drills may still be possible, competitive sports will typically be high intensity and if allowed to proceed would put participants at risk of flouting the law. Therefore, we advise venue operators to ensure that competitive sports do not take place and masks are worn at all times.
- From 21 June to 11 July 2021, unmasked (high-intensity) activities can only be in groups of 2 (including instructor), up to 30 participants or the capacity limit of the venue. For masked (low-intensity) activities indoors, the group size may be 5 (including instructor). Common equipment may also be provided for use by participants¹³. More information on the SMMs can be found in [Sport Singapore's guidance on 18 June 2021](#).
- From 12 July 2021, the group size for unmasked activities indoors will be increased to 5 (including instructor). While multiple groups of 5 (including instructor/coach) remain allowable up to 50 participants or the capacity limit of the venue, whichever is lower, there shall be clear segregation between groups and no cross-mixing or cross-playing in any form of modified formats between groups. Examples of permissible play formats are those that are within the same group of 5 such as 2v2 or 3v2. More information on the SMMs can be found in in [Sport Singapore's guidance on 8 July 2021](#).
- From 19 July to 8 August 2021, in an **indoor unmasked** environment, each match is capped at 2 persons (e.g. 1v1) or 5 persons (such as 2v2 or 2v3) if all individuals in the group have eligible status¹⁴. There can be no mixing of eligible and not eligible participants in the activity. Organisers offering events solely for individuals with eligible status are advised to prominently display signages to indicate that activities are “for vaccinated / tested persons only”.

In addition, there shall be clear segregation between groups and no cross-mixing or cross-playing in any form of modified formats between groups. More information on the SMMs can be found in in [Sport Singapore's guidance on 17 July 2021](#).

Qn: I plan to organise a class for vaccinated / tested persons only. How do I ensure that the participants are eligible?

Ans: You can check for the participant's valid vaccination status which is displayed on his/her TraceTogether / Healthhub app. For pre event testing results, participants will need to produce a valid COVID-19 test result notice.

Individuals that have recovered from a COVID-19 infection i.e. 270 days from the date of the first PCR positive result, would also be deemed to be eligible and he/she would need to produce a PET Exemption Notice obtained from any clinic offering ART or PCR testing services as proof.

¹³ A physical distancing of 3 metres between individuals should be observed for indoors high intensity or high movement exercise classes unless the nature of activity requires the distance to be shortened. The restriction against common equipment indoors imposed since 8 May 2021 will be rescinded from 21 June 2021.

¹⁴ An individual is eligible if he/she has either i) been vaccinated under the national vaccination program using PSAR authorised vaccines and have had time to develop sufficient protection (i.e. two weeks after the second dose), ii) recovered from COVID-19, or iii) obtained a negative result on a Pre-Event Test taken in the past 24 hours before the expected end of the event.

D. ON SPORT EVENTS

Qn: What sport events are currently permitted?

Ans: As part of the gradual resumption of sport and physical activity & exercise, sport events will resume as follows:

- Live Spectator Sport Events may resume from 14 June 2021, with up to 50 spectators without the need for attendees to undergo pre-event testing. Should the organiser implement pre-event testing¹⁵, the number of spectators can be increased to 250, in zones of up to 50 persons.
- Mass Participation Sport Events such as mass runs, open-water swims, cycling and triathlon events) may proceed from 21 June 2021. Such events can proceed with up to 50 participants without the need for pre-event testing. With pre-event testing, up to 250 participants (in waves of up to 50 persons) are allowed per session, with different sessions adequately separated by time¹⁶ to avoid the congregation of participants at the venue.

At this juncture, mass participation sport events will not be allowed to accommodate more than 250 participants per session, and will not be allowed to have invited spectators. Organisers are to put in place measures to prevent the spontaneous gathering of onlookers for such events.

- Sport Competitions & Tournaments (without spectators¹⁷) refer to competitions involving timed races or head-to-head matches where there could be multiple heats or qualifying rounds (“sessions”). Such events may resume from 21 June 2021, but must not exceed 50 persons in each facility, with different sessions adequately separated within a day or across multiple days, to avoid congregation. Each match is capped at 5 persons (which includes the referees if they need to be in the field of play). In an **indoor unmasked** environment, each match is capped at 2 persons.

From 12 July 2021, in an **indoor unmasked** environment, each match is capped at 5 persons. If there are multiple matches, close contact must not exceed 50 persons a day for each participant. For example, if a team plays multiple matches a day, each team member shall not play more than 49 others (including teammates) in a day.

From 19 July to 8 August 2021, in an **indoor unmasked** environment, each match is capped at 2 persons (e.g. 1v1) or 5 persons (such as 2v2 or 2v3) if all individuals in the group have eligible status¹⁸. There can be no mixing of eligible and not eligible participants in the activity. If there are multiple matches, close contact must not exceed 50 persons a day for each participant. For example, if a team plays multiple matches a day, each team member shall not play more than 49 others (including teammates) in a day.

¹⁵ Please refer to <https://go.gov.sg/pet> for MOH’s latest requirements and guidelines on pre-event testing.

¹⁶ Organisers may propose the number of sessions and time interval between sessions to ensure safe participation, which may vary depending on context.

¹⁷ Sport tournaments and competitions with spectators will be treated as Live Spectator Sport Events.

¹⁸ An individual is eligible if he/she has either i) been vaccinated under the national vaccination program using PSAR authorised vaccines and have had time to develop sufficient protection (i.e. two weeks after the second dose), ii) recovered from COVID-19, or iii) obtained a negative result on a Pre-Event Test taken in the past 24 hours before the expected end of the event.

Organisers offering events solely for individuals with eligible status are advised to prominently display signages to indicate that activities are “for vaccinated / tested persons only”.

Qn: I have previously submitted my application and received Sport Singapore’s endorsement to organise an event, but there has been a change to the SMMs. Can I still carry on?

Ans: Events that were previously endorsed by Sport Singapore will need to have their SMMs updated and organisers are to resubmit their plans using the prescribed form for endorsement by Sport Singapore.

Organisers will have to submit an application to Sport Singapore using the prescribed form and emailing it to SPORT_Covid@sport.gov.sg at least 30 days prior to the start of the event to give time for evaluation and discussion. Organisers are advised not to carry out related marketing/publicity efforts before receiving endorsement from Sport Singapore, as the event may require modifications before it may proceed.¹⁹

Sport Singapore’s endorsement is only for the sport event SMMs. Organisers will need to seek further approval from facility owner / relevant agencies before their event can proceed.

Qn: I am an NSA and will like to conduct a tournament/competition during this period, for athletes’ international qualifications. Is it still possible?

Ans: NSAs are advised to approach their NSA Partnership officer from Sport Singapore as soon as possible to discuss these plans, and to obtain approval for the event, before they can proceed.

E. ON LARGE GROUP OUTDOOR CLASSES

Qn: I am a registered instructor under Sport Singapore’s Large Group Outdoor Classes. How does the latest measures affect me?

Ans: Approved large outdoor classes at public spaces²⁰ such as parks and HDB common areas, can continue.

From 14 to 20 June 2021:

For organised programmes and classes **outdoors**, a service provider (such as an instructor or a coach) from a permitted enterprise may guide the group and is included in the group size. Multiple groups of 5 remain allowable up to 30 participants or the capacity limit of the venue, whichever is lower, if the activity is of **low intensity** with masks on at all times. The groups of 5 are not to intermingle and must remain 3 metres apart.

If the activity is of **high intensity** where masks have to be removed, only five persons are allowed (including instructor or coach) and there can be no multiple groups of 5.

From 21 June 2021 for **high intensity** where masks have to be removed, five persons are allowed (including instructor). There can also be multiple groups of 5 allowed, up to 30 participants or the capacity limit of the venue, whichever is lower. From 12 July 2021, multiple

¹⁹ Organisers will be responsible for the costs of the event (including the additional costs of modifications), and/or compensation to participants arising from event postponement or cancellation.

²⁰ An instructor may coach multiple groups of 5 persons, up to 50 pax or the venue capacity limit, whichever is lower, for outdoor classes. Instructors who are interested to conduct large outdoor classes of up to 50 pax at outdoor public spaces must be registered. Please visit <https://circle.myactivesg.com/programmes/classes/coaches/outdoor-classes-instructor-registration> for more information.

groups of 5 (including instructor/coach) remain allowable up to 50 participants or the capacity limit of the venue, whichever is lower.

Qn: I am Zumba instructor conducting outdoor classes. Can I instruct 3 different groups of 5 participants from 21 June? Can I approach participants to guide them?

Ans: Yes, an instructor may coach multiple groups of 5 persons, up to 30 pax or the venue capacity limit, whichever is lower. From 12 July 2021, multiple groups of 5 (including instructor/coach) remain allowable up to 50 participants or the capacity limit of the venue, whichever is lower.

Instructors who are interested to conduct large outdoor classes of up to 30 pax (till 11 June) or 50 pax (from 12 July) at outdoor public spaces must be registered. Please visit <https://circle.myactivesg.com/programmes/classes/coaches/outdoor-classes-instructor-registration> for more information.

Do ensure that there is no intermingling between the different groups of 5 and that the participants do not switch groupings during the session.

You can guide the participants from a 3-metre physical distancing at all times. Should you be unable to do so, and need to approach the participants to guide them, you would then need to be part of that group and not intermingle with the other groups.

F. ON REGULAR FAST & EASY TESTING (FET)

Qn: I am a gym owner. Do my staff need to undergo FET before I can reopen?

Ans: FET is currently not a condition for the gradual re-opening. Your facility and programmes can resume from 21 June.

More details on FET for sport and fitness sector is available [here](#).

Qn: I am a fitness instructor. Do I need to undergo FET and how do I go about it?

Ans: Instructors and staff who come into contact with unmasked users in the course of their work will need to undergo regular FET as part of the enhanced national measures for workers involved in higher-risk mask-off activities. From 15 July, the FET is mandatory for the following workforce²² and the frequency of the FET shall be once every 14 days:

- Gyms and fitness studios coaches / trainers / instructors where clients are engaged in unmasked activities.

Qn: Can I exercise with a friend?

Ans: With effect from 19 July – 8 August 2021, the group size for indoor, unmasked sport and physical exercise & activity will reduce to 2 persons (including instructor).

However, up to 5 persons (including instructor) may be allowed in a group, if all 5 individuals fulfil **any one** of the following conditions:

- x) fully vaccinated under the national vaccination program using PSAR authorised vaccines and have had time to develop sufficient protection (i.e. two weeks after the second dose),
- xi) recovered from COVID-19 (within the past 270 days)
- xii) have obtained a negative result on a Pre-Event Test taken in the past 24 hours before the expected end of the class/programme/event.

Persons fulfilling **any** of the above are termed as being “eligible”. Where there are groups larger than 2 persons, there can be no participants with a mix of eligibility status in the same class/programme. i.e. there is to be no mixing of cohort within a class if there are multiple groups in an indoor, unmasked activity. A class is either all eligible or all not eligible – there should not be some in groups of 2 and some in groups of 5.

Patrons **must be prepared** to produce proof of any one of the above conditions before **entry is allowed**. Patrons are also encouraged to arrive 15 minutes earlier for the verification process and to avoid delays. We seek your understanding for the longer wait time.
