The Fraud Triangle

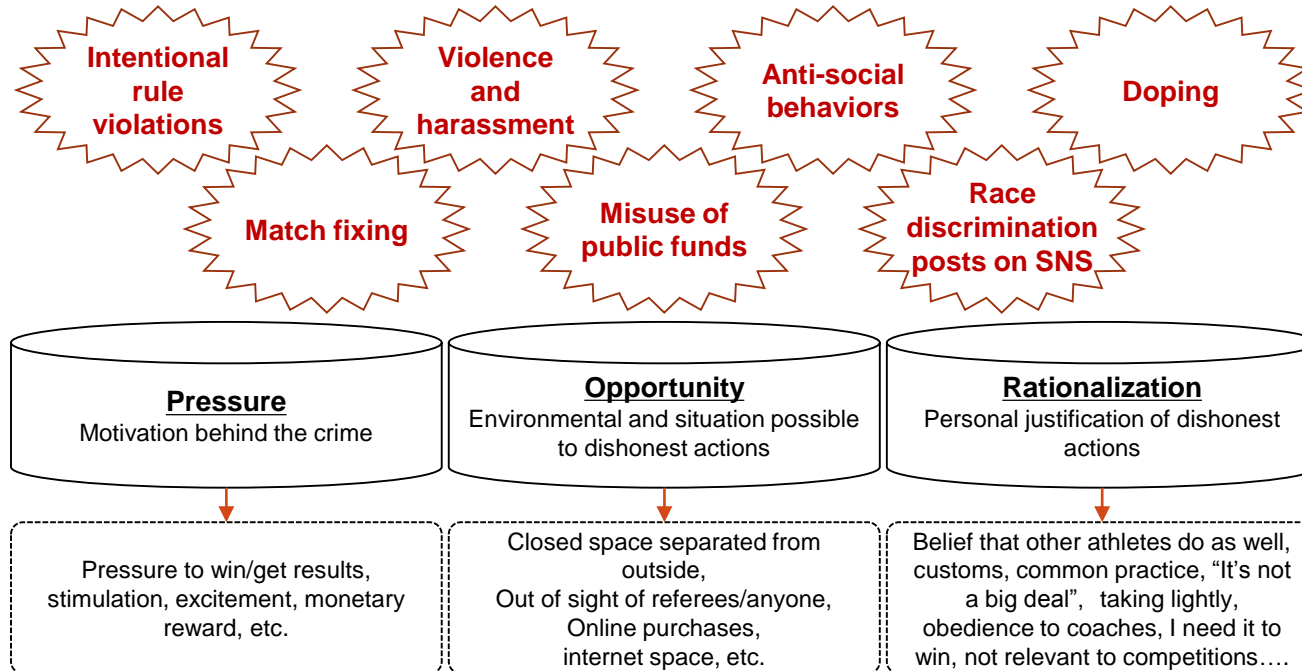

Cressey, D.R. (1950). "The criminal violation of financial trust". *American Sociological Review*.15(6), pp.738-743

- A theory of fraud occurring mechanism which Dr. Donald Cressey, an American criminologist called for.
- When three risk components (pressure, opportunity, and rationalisation) all consist, fraudulent behavior occurs.

Why fraud acts/incidents occur in sport?

- A hypothesis based on the Fraud Triangle

What will you do to avoid actualisation of risks?

Survey result

Result of Monitoring

Subject □ 3rd ASIA Congress

Conducted in □ November, 2018

	Threats	Questions	Average	Signal
Q1	Violence	Circumstance of violence	46.5	●
Q2		Situation or atmosphere likely to cause violence	57.2	●
Q3		Answered Yes at Q2 □ Occation or place where violence can be seen	-	-
Q4		Common understanding or atmosphere that violence can be allowed	56.1	●
Q5		Atmosphere that pressures due to stagnation or non-improving athletic performance can cause violence	41.3	●
Q6	Harassment	Circumstance of harassment	68.2	●
Q7		Situation or atmosphere likely to cause harassment	63.0	●
Q8		Answered Yes at Q2 □ Occation or place where harassment can be seen	-	-
Q9		Occasion that an athlete, a coach or other peron becomes alone together with one of the opposite sex	47.7	●
Q10	Doping	Circumstance of anti-doping rule violation	72.4	●
Q11		Atmosphere that any measure can be taken to improve athletic performance	56.7	●
Q12	Crime group, antisocial behavior	Contact from crime or antisocial group	90.9	●
Q13		Circumstance and culture that a conduct contrary to social rules or ethics can be allowed	73.9	●

What will you do to avoid actualisation of risks?
