

During the course of coaching, there could be incidences of emergency or injury, it is essential that coaches are trained in the knowledge and skills in Standard First Aid, Cardio-Pulmonary Resuscitation (CPR) and usage of Automated External Defibrillator (AED). This will better prepare coaches for emergency situations and manage the risks involved in sports coaching.

Sport Singapore has appointed the Singapore Resuscitation First Aid Council (SRFAC) to accredit the Standard First Aid with AED Courses by various training centres for the coaches in the National Registry of Coaches. The objective of this process is to ensure they have met the requirements for training facilities and training standards.

For enquiries related to first aid, please email SRFAC Secretariat at [nfac.secretariat@redcross.sg](mailto:nfac.secretariat@redcross.sg).
